Auction Updates

PTO is thrilled to kick off this year's Preview Party with a Wild Wild West theme! We'd love to showcase community talents and involve everyone who wants to help. If you have items that fit the theme such as hay bales, pampas grass, wildflowers, rope, or wagon wheels and are willing to let us borrow them, we'd be so grateful! Please also be on the lookout for sign-ups to contribute or help out in pulling off this fun event.

The form and 20 signatures from SMCS Parents, Faculty, or Staff should be submitted for requests. Examples of purchases made are the soccer goals and water fountains.

Once a request is received, the PTO Executive Board will vote on the request within 4 weeks. If approved, the item(s) will be purchased and installed. If denied, you may resubmit your request the following semester with an additional 20 signatures. You will be notified of the results of your request.
